

## Customize your Jewellery

**Do you have a piece of jewellery that was given to you or you purchased it and don't quite like how it looks?**

Or do you have some old jewellery or a family heirloom that needs redesigning? Here at Starfire we are experts in remodelling and customising your jewellery to make sure that the style you choose is timeless. As we are experts in this field we will work with you to re-design and remodel your jewellery so It's a perfect opportunity for us to make you something truly unique to your style and personality.

**What's the process?**

You are welcome to come into our showroom for an obligation free design appointment in a relaxed atmosphere. Our friendly jewellery design specialists will work with your ideas and draw up sketches to assist you with visualising the pieces before manufacturing.

Please be aware that most precious metals cannot be melted and successfully reused, and not all heirloom stones can be reused or reset due to wear or damage. Our artisan jewellers will be able to assess your jewellery and advise you on any risks and tell you what is possible and what is not.
